NATURAL RESOURCES CAREERS CAMP

Don’t wait until college. Explore natural resources careers this summer with NRCC!

Submit your application online at www.marylandforestryboards.org

WHO: Maryland and Mid-Atlantic high school students interested in pursuing studies or a career in forestry and natural resources

WHAT: A hands-on, week-long camp, with lodging and meals included

WHEN: Sunday, July 19 through Saturday, July 25, 2020

WHERE: Hickory Environmental Education Center in Garrett County, MD

WHY: To have fun while learning about working in the field of natural resources, educational requirements, employment and career opportunities in forestry, water resources, and other related disciplines from teams of natural resource professionals

Explore outdoor careers this summer at Hickory Environmental Education Center in Garrett County, Maryland

Presented by: The Maryland Association of Forest Conservancy District Boards

in partnership with

High school students, apply today for camp from July 19 through July 25, 2020
College credit and scholarships available
Join field professionals from across the state for seven days of intense instruction and fun at the Hickory Environmental Education Center in Garrett County, Maryland. You’ll learn about:

- Forestry
- Wildlife ecology
- Fisheries
- Arboriculture
- Watershed management
- Natural resources management
- GIS and GPS technology

Here’s what NRCC students are saying…

“Learning about careers in forestry helped for me to decide my future plans. Working the business side of forestry is something I could do”

“Shocking fish was my favorite”

“The fire suppression was a fun and educational learning experience”

“The GPS boundary data collection was my favorite. I like nature, but I also like technology; this could definitely be a career for me!”

“It was interesting to see all the ways wood is used in a sawmill. It was also good to know that all parts of the tree will get used”

“I was delighted to have the opportunity to talk to the college representatives. I hope I can go to WVU when I graduate from Allegany!”

“Tree climbing was awesome! I never climbed a tree with a harness before. It was a great experience and probably one of my top events of the week”

All classes are taught through hands-on field experience along with classroom instruction.

College Credit Available

Students may choose to earn two college credits (fee required) from Allegany College of Maryland.

To be eligible, students must be at least 16 years old by the end of NRCC week, attend the entire week of the camp, complete a short exam, and present a forest management plan as part of a team.

The credits will transfer to most Maryland community colleges and several four year colleges and universities.

The NRCC tuition is $450.00 plus a $125.00 activity fee. Many forestry boards offer scholarships.

Contact your local board or visit www.marylandforestryboards.org to apply.
